A new documentary commissioned by the Barnes Foundation tells the story of the move as a money-driven violation. This is a well-researched documentary about the Barnes Foundation art collection and the legacy of its original owner, Dr. Albert Barnes. It's a story of how a battle over the foundation's assets became a well-documented documentary film.

Don Argott's The Art of the Steal, about the Barnes Foundation and its controversial move from Merion, just outside Philadelphia to a site on the Benjamin Franklin Parkway, followed the struggle for control of Dr. Albert C. Barnes' 25 billion dollar art collection. The documentary was a thrilling whodunit about the heist of the century.

The Barnes Foundation museum is a state of the art facility that opened in 2012 with a new building dedicated to the collection. In 2012, the Barnes Foundation reopened on the Benjamin Franklin Parkway as a state of the art facility dedicated to the collection.

On a recent visit to the Barnes Foundation in Philadelphia, I discovered the film about the relocation of the Barnes Collection, “The Art of the Steal,” 2009.

The original home of The Barnes Foundation was in Lower Merion PA. Watching the movie The Art of the Steal I became aware there was a very big story.
About the Barnes Foundation, are you talking about my interpretation of the Art of the Steal? I will admit to never having seen "the Art of the Steal" but I am aware that it named executive director and president of Philadelphia's Barnes Foundation. as depicted polemically in the 2009 documentary The Art of the Steal. This week The Barnes Foundation opens the doors to its singular collection in a new The stars of "The Art of the Steal" protest outside the Barnes entrance.
